Subject: info request

Hello Vicki,

All my contact info is listed below. Here is the description.

I am requesting information on a gas leak (underground tank) at an abandoned Conoco station at 7580 S Pierce St. Littleton, CO. 80128. early 2000s I believe. Is the file closed? Was there any damage to surrounding properties, groundwater, dirt etc.? Please share what you can. I am looking for a summary, not all the paperwork. Case file # and anything else identifying the file would be helpful.

Thanks!

Fritz Miesen
